

Federal Government Shutdown Pauses Employment Reports

After being delayed by the federal shutdown, Oregon's local monthly employment reports for September will be released on Tuesday, December 16th. In the meantime, I'll be highlighting other recent data releases from our programs. We will return to the regular schedule of monthly local data releases in 2026.

Unemployment Rate News

In the third quarter of 2025, Oregon reported 120,300 unemployed individuals alongside 53,600 job vacancies, leading to a ratio of 2.2 unemployed persons for each job vacancy. This marks an increase from the second quarter, where the statewide ratio stood at 1.8. Notably, Eastern Oregon reported a comparatively low ratio of 1.8 unemployed persons per job vacancy over the summer.
