## **Employment in Eastern Oregon: April 2023**

### **Unemployment Rate Decreases as Seasonal Hiring Begins**

Comparing April 2023 with April 2022 shows decreasing unemployment rates in all Eastern Oregon counties. The largest over-the-year decrease came in Grant County where the raw rate dropped by 1.3 percentage points to reach 5.3%. The smallest decrease came in Baker County where the raw rate decreased by 0.5 percentage point to reach 3.3%. The seasonally adjusted unemployment rate increased in five Eastern Oregon counties. Grant County's rate was unchanged. Harney County saw the largest increase, rising 0.6 percentage point to 4.7%, followed by Malheur and Wallowa counties' 0.5 percentage point increase to 4.3% and 5.5%, respectively.

Baker County's nonfarm payroll employment decreased by 10 since April 2022. Employment decreased by 80 jobs in the private sector and increased by 70 jobs in the public sector. The largest decrease came in manufacturing, which dropped by 60. Leisure and hospitality added 20 over the year, to lead gains. Overall employment increased by 40 jobs over the month; industry gains were relatively small. The seasonally adjusted unemployment rate dropped 0.4 percentage point over the month to 4.6%. The raw unemployment rate decreased by 1.3 percentage points to 3.3% in April.

Grant County's nonfarm payroll employment increased by 90 jobs over the year. The private sector added 60 jobs while the public sector increased by 30. Manufacturing and local government each rose by 40 to lead gains. Leisure and hospitality led losses, dropping 30 jobs. Over the month, total employment was flat. The seasonally adjusted unemployment rate slid by 0.5 percentage point in April to 5.6%. The raw unemployment rate dropped 1.0 percentage point to 5.3%.

Harney County's nonfarm payroll employment increased by 60 over the year. The private sector dropped by 20 as the public sector rose by 80. Local government led gains, up 60. Goods-producing and wholesale trade saw the largest decrease, down 20 each. Total employment climbed by 60 over the month, led by gains in leisure and hospitality. The seasonally adjusted unemployment rate dropped 0.5 percentage point over the month to 4.7%. The raw unemployment rate decreased by 1.5 percentage points to 3.2%.

Malheur County's nonfarm payroll employment increased by 110 over the year. The private sector rose by 110 as the public sector saw a net change of zero. Private education and health services added 80 to lead gains. Retail trade dropped by 70 to lead losses. Total employment increased by 10 over the

month, with gains slightly overcoming losses across industries. The seasonally adjusted unemployment rate dropped 0.3 percentage point over the month to 4.3%. The raw unemployment rate decreased 0.7 percentage point to 2.8%.

Union County's total nonfarm payroll employment increased by 90 over the year. The private sector added 70 jobs while the public sector added 20. Professional and business services showed the largest gain, up 40. Leisure and hospitality incurred the largest loss, down 50. Total employment increased by 10 over the month, with gains and losses mostly offsetting each other across industries. The seasonally adjusted unemployment rate dropped 0.4 percentage point in April to 4.5%. The raw unemployment rate decreased by 1.3 percentage points to 3.1%.

Wallowa County's nonfarm payroll employment increased by 90 from April 2022 to April 2023. The private sector added 40 jobs and the public sector increased by 50. Construction led gains, up 40. Wholesale and retail trade and transportation, warehousing, and utilities were the only industries to lose jobs, dropping 20 each. Total nonfarm employment increased by 70 over the month, with leisure and hospitality (+30) leading the way. The seasonally adjusted unemployment rate dipped 0.3 percentage point over the month to 5.5%. The raw unemployment rate decreased 1.3 percentage points for the month to 4.8%.

### **Next Press Releases**

The Oregon Employment Department plans to release the May county and metropolitan area unemployment rates on Wednesday, June 21, and the statewide unemployment rate and employment survey data for May on Wednesday, June 14.

The most recent month is preliminary, the prior month is revised. Prepared in cooperation with the U.S. Department of Labor, Bureau of Labor Statistics.

Civilian labor force includes employed and unemployed individuals 16 years and older by place of residence. Employed includes payroll employment, self-employed, unpaid family workers, domestics, agriculture, and labor disputants. Unemployment rate is calculated by dividing unemployed by civilian labor force.

Nonfarm Payroll Employment: Data are by place of work and cover full- and part-time employees who worked or received pay for the pay period that includes the 12th of the month. The data exclude the self-employed, volunteers, unpaid family workers, and domestics.

The most recent month is preliminary, the prior month is revised. Prepared in cooperation with the U.S. Department of Labor, Bureau of Labor Statistics.

Civilian labor force includes employed and unemployed individuals 16 years and older by place of residence.  
 Employed includes payroll employment, self-employed, unpaid family workers, domestics, agriculture, and labor disputants.  
 Unemployment rate is calculated by dividing unemployed by civilian labor force.

Nonfarm Payroll Employment: Data are by place of work and cover full- and part-time employees who worked or received pay for the pay period that includes the 12th of the month. The data exclude the self-employed, volunteers, unpaid family workers, and domestics.

The most recent month is preliminary, the prior month is revised. Prepared in cooperation with the U.S. Department of Labor, Bureau of Labor Statistics.

Civilian labor force includes employed and unemployed individuals 16 years and older by place of residence. Employed includes payroll employment, self-employed, unpaid family workers, domestics, agriculture, and labor disputants. Unemployment rate is calculated by dividing unemployed by civilian labor force.

Nonfarm Payroll Employment: Data are by place of work and cover full- and part-time employees who worked or received pay for the pay period that includes the 12th of the month. The data exclude the self-employed, volunteers, unpaid family workers, and domestics.

## Wallowa County Current Labor Force and Industry Employment

The most recent month is preliminary, the prior month is revised. Prepared in cooperation with the U.S. Department of Labor, Bureau of Labor Statistics.

Civilian labor force includes employed and unemployed individuals 16 years and older by place of residence. Employed includes payroll employment, self-employed, unpaid family workers, domestics, agriculture, and labor disputants. Unemployment rate is calculated by dividing unemployed by civilian labor force.

Nonfarm Payroll Employment: Data are by place of work and cover full- and part-time employees who worked or received pay for the pay period that includes the 12th of the month. The data exclude the self-employed, volunteers, unpaid family workers, and domestics.

The Oregon Employment Department and the U.S. Bureau of Labor Statistics (BLS) work cooperatively to develop and publish monthly payroll employment and labor force data for Oregon's metropolitan areas and counties. The estimates of monthly job gains and losses are based on a survey of businesses. The estimates of unemployment are based on a survey of households and other sources.

The Oregon Employment Department payroll employment estimates are revised quarterly using information from unemployment insurance tax records. All department publications use data from this *official Oregon series* unless noted.

The department also makes the BLS-produced nonfarm payroll employment series for metropolitan areas available. These are revised annually by BLS.
